POINT OF ORDER

Mr. MCGOVERN. Mr. Speaker, pursuant to section 426 of the Congressional Budget and Empowerment Control Act of 1974, I make a point of order against consideration of the rule, House Resolution 891.

Section 426 of the Budget Act specifically states that the Rules Committee may not waive the point of order prescribed by section 425 of that same act.

Section 3 of House Resolution 891 states that: "All points of order against consideration of the bill are waived." Therefore, I make a point of order pursuant to section 426 of the Congressional Budget Act that this rule may not be considered.

The SPEAKER pro tempore. The gentleman from Massachusetts makes a point of order that the resolution violates section 426(a) of the Congressional Budget Act of 1974.

The gentleman has met the threshold burden under the rule, and the gentleman from Massachusetts and a Member opposed each will control 10 minutes of debate on the question of consideration. Following debate, the Chair will put the question of consideration as the statutory means of disposing of the point of order.

The Chair recognizes the gentleman from Massachusetts.

For anyone unfamiliar, that is the Supplemental Nutrition Assistance Program, which helps to feed millions of struggling American families every day. But one provision in the farm bill would force States to deny SNAP benefits to families with an absent parent unless those households cooperate with child support enforcement agencies.

According to the CBO, that is the Congressional Budget Office, it is a nonpartisan group of experts that analyze this stuff. This additional burden on single-parent families would save
